MAY 2023

NEWSLETTER

MAY – the month of Bank Holidays, National's Annual Meeting at Cardiff and Britain's

most historic event for many years, the coronation of King Charles III. I hope that you have a most enjoyable month. HFWI decided not to hold a Federation event to celebrate this momentous occasion as we felt sure that your WI will be involved in your own community events. Bank holidays always upset my rather routine life—I usually forget to put out

the bin, as I think Tuesday is a Monday. So I shall be a complete disaster this month!

Is May the end of spring or the beginning of summer? With climate change, it must now be the beginning of summer and what a summer it will be – so long as the sun shines on all the events planned by WIs and the Federation. There is something for everyone: Thursday, 25th our delegates go to Cardiff to the Annual Meeting, which is in St David's Hall. A smaller venue as so many now join virtually. There is also the Hay Festival, the Royal Three Counties, the Federation Quiz, various coffee mornings, National Quilt Show at the NEC, the trips to the American Museum and to Oxford to name a few. From 25th May to 7th June there is a craft exhibition in Bodenham Church. Do take the opportunity to see the displays which are going round different parts of the country, so we are lucky to have them in Herefordshire. Details are in this Newsletter. Where else besides the WI would you find such a variety of interests? Details of all these events are in the Newsletters. Book now and plan for a fantastic summer. Enjoy whatever you are doing this month. Best wishes to all. Margaret

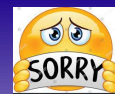

Virtually Join the Annual Meeting 25/5/23

Why not join the Annual Meeting online. Do consider doing this as the meeting is always enjoyable and informative. The resolution put forward by Herefordshire is being debated and voted on. Not sure how to join? Contact your Advisor or WI House for assistance.

HFWI WI HOUSE

On Thursday, 25th May the office will be **CLOSED**.

This is the day of the Annual Meeting in Cardiff.

APRIL Addendum to April's Diary

Two conflicting dates were issued for the Federation Quiz round 1. Please note the first round of the Quiz is 30th June 2023.

Also Gardening For Wildlife meeting is 28th April 2023

A C M DELEGATE The Annual Council Meeting is on Tuesday, 17th October. It is hoped that every WI will send a delegate to the meeting who can then report back to members. Your WI may be awarded a trophy which the delegate can collect. The meeting is always fun with good speakers, refreshments and a raffle so, as well as the delegate, it is hoped that as many members as possible will attend. This year we are offering lunch to everyone who attends so that you can talk to the speakers and enjoy the social occasion. Do book the date in your diaries and return the booking form. For further information, please contact admin@herefordshirewi.org.uk

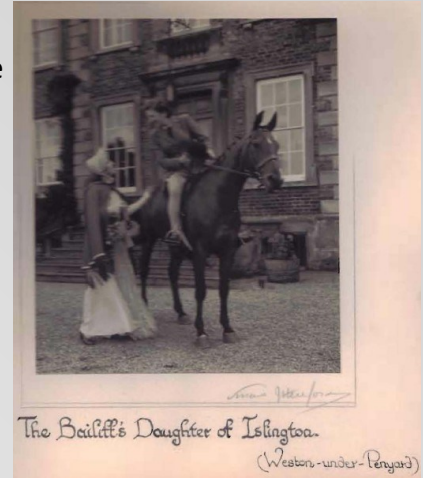

NEWS FROM THE ARCHIVES

Among photograph albums in the Federation's archive collection is one covering the County Picnic, 1956, held on Monday 2nd July at Hill Court near Ross-on-Wye. Pictures show a series of 'Mimed Ballads' performed by eight institutes.

A report in the Hereford Times (06/07/1956) gives more details of the event reporting that two thousand members attended on a fine day. Appropriately, a policewoman was on duty directing the 'motor coaches' into the drive leading to the mansion. The familiar strains of 'Jerusalem' opened the picnic after which the attendees were welcomed by the County Chairman, Mrs. Lettice Sandford, who also thanked Mr. John Trafford for allowing use of the Court. The gardens provided much enjoyment and brisk business was done at the stalls, one of which was selling the Federation cookery book, compiled with recipes provided by members and tested by 'experts'. (Perhaps this was the same publication that had turned up in Oklahoma as mentioned in this column in the November 2022 edition?). For the record the eight ballads that closed the picnic were:

- The Bailiff's Daughter of Islington (Weston-under-Penyard WI)*
- Widcombe Fair (Welsh Newton WI)*
- Strawberry Fair (Ross-on-Wye WI)*
- Dashing away with a smoothing iron (Almeley WI)*

- The Keeper (Bullinghope WI)*
- Briary Bush (Mansel Lacy WI)*
- Little Brown Jug (Mathon WI)*
- Billy Boy (Sutton St. Nicholas WI)*

The accompanying photograph shows two sisters, Mrs. M Menton and Mrs. B. Nelson, performing Weston-under-Penyard WI's entry.

This was the era of the WI's involvement with the Keep Britain Tidy campaign. The newspaper remarked that this was put into practice by those members present at Hill Court where there was 'scarcely a scrap of paper out of place'.

For more information on HFWI archives and how to look after your WI's records please visit the Herefordshire page on the national WI website:

WHY OH WHY? COFFEE, CAKE & CLIMATE DEBATE

In March, we'd hoped to run a Coffee, Cake & Climate Debate morning to talk about food waste & eating habits - one thing we can all do to tackle climate change that really does make a difference. Sadly though, no one turned up - it was a bit of a slap in the face - I wish we had a photo of the empty hall we could post here to go for the sympathy vote!!

I can't tell you about April yet because as I write this, it's still in the future(!), but as we'll be busy with the Cardiff Annual Meeting in May, so won't be running an event, I thought I'd ask in this spot why no one turned up in March. Were we too sketchy with the details? Was it the wrong time, the wrong day, the wrong venue? Did you even know about it? Have you seen our posters on Facebook, the website, in the secretaries notes? It would be really interesting to get your feedback as we feel there are lots of you who want to do your bit to combat climate change but we don't seem to be able to reach you...

You can always contact us by email at hfwf.climate@gmail.com or via WI House. We would love to hear what you think.

See you in **July**, date to be confirmed, when we will be running the Food Waste session again with some tasty treats to try.

PUBLIC AFFAIRS

Mental Health Awareness month

Mental Health Awareness week is 15 - 21 May and the theme this year is 'anxiety'. Anxiety is one of the most common mental health problems we can face. Focusing on anxiety for this year's Mental Health Awareness Week will increase people's awareness and understanding of anxiety by providing information that can help prevent it from becoming a problem.

It is now 5 years since we launched the Make time for Mental Health campaign which followed the 2017 Link together to Alleviate Loneliness campaign. (If you need a reminder of both campaigns then you can find resources on MyWI under the Public Affairs tab).

To work together in your community the Mental Health Foundation has declared 18 May as 'Wear it Green Day'. The ribbon badge is green and worn by ambassadors such as David Harewood, Olivia Coleman, Aisling Bea, Graham Norton, Nadiya Hussein and others.

It is easy to get swept up with busy days and realise we haven't checked up on the most important person - YOU!! Can you tick off any of the following to see if you have checked on YOU today?

- Had a chat with a friend
- Spent time in the outdoors
- Stretched your body
- Given a loved one a compliment
- Listened to your favourite songs
- Read a few pages of an interesting book
- Tidied a room at home
- Shared a funny story
- Done a form of exercise
- Told a trusted person something you have been worried about getting through alone.

18 MAY - WEAR IT GREEN - WEAR IT GREEN - WEAR IT GREEN - 18 MAY

For GREAT BIG GREEN WEEK - we will be focussing on climate and biodiversity with a stall at each of these venues:

- 13 June Blue Diamond (Wyevale) Hereford
- 16 June Leominster Market
- 17 June Dunelm, Hereford

HFWI QUIZ Thank you very much to all of the WIs that have so far submitted teams for the Federation Quiz. It's not too late to enter, and your WI can enter more than one team, so why not give it a go?

Munsley WI Hall is now full, but the other two venues, Aston Ingham and Dilwyn, still have spaces so why not join us for a fun evening? Has your team got what it takes to wrestle the crown from Preston Wynne WI? Entry forms went out in February, but I am happy to send one out to your WI if you need one. Entry is £10 per team of up to four. Refreshments of course will be provided, but as usual teams are welcome to bring their own. Joy Edwards, Quiz Coordinator

DIGITAL NEWS FOR MAY 2023

DID YOU KNOW...?

Herefordshire has its own section on the NFWI website. You can access the Herefordshire pages at this address: <https://herefordshire.thewi.org.uk>

On the web pages you can find the Calendar of Events, Federation information such as secretary notes and enclosures sorted by month, who's who in the Federation, Climate Ambassador Page and Useful Documents for your WI.

In the 'Find a WI' section, you can have an extra page for your programme. Herefordshire also has a Facebook page where your WI can advertise upcoming meetings, short reports of meetings which have taken place, and see upcoming Events plus NFWI news.

Have you investigated MyWI? It holds lots of documents about how to run your WI including the WI Handbook. WI Training is accessed by the same log in details as My WI and you will find a section for treasurers among other articles.

MSC REPRESENTATIVES - DID YOU KNOW...?

It's even more important now that your members' details are up to date as the Federation newsletter is being delivered to members' email addresses.

If you change your meeting time, day, venue or anything else update this on the MCS as this is the only way that the website page 'Find a WI' will be updated.

Please get in touch if you need any assistance.

THE SEASONS

Spring

We till the soil
 We plant our seeds
 Looking at the wild flowers fills our needs
 All the best things in life are free

Baby birds chirp in their nest
 Waiting for their early morning fest
 The sound of the cuckoo comes nearer and nearer
 To remind us that springtime is here

Summer

The colours of wild roses are so vibrant
 The scent is so sweet
 Bees appear from nowhere
 Some flying from hives that are so neat
 They are busy making their honey
 I can't wait to put it in my tummy

Young families flock to the seaside
 Making sandcastles in the sand
 Kites flying high
 Mums and dads gazing to see where they land
 Oh I am ready for Autumn

Autumn

The leaves of the trees move in the cool breeze
 The colours of the leaves are exulting
 The thought of leaf collages are exciting
 The birds sit in a line on electricity cables
 Nattering and chattering 'when shall we go?'
 In the end they go with the flow.

Mist in the morning hangs on to the horizon
 They call it 'Hop pickers weather' in Herefordshire
 Farmers bring in their harvest
 Trailers of corn are put into a mound
 An air of calm is around
 Preparation for the winter ahead

Winter

Bees in their hives
 Have their winter feed before they go to sleep
 Jars of yummy honey in the larder we keep
 It keeps away colds and coughs
 For the young and old
 The sign of Jack Frost on our windows are a sight to see
 Maybe it's time for a cup of tea.

HFWI FORUM

John Platt who was in the police force for 30 years and retired in 1996 came to talk to **Aston Ingham WI**, his talk titled 'A Policeman's Lot.' He began with some typical Yorkshire sayings which the members found difficult to decipher - very amusing. He was first a cadet then was accepted for the Sheffield police, later moving to West Mercia police. He had a keen interest in photography and wanted to be a scene of crime officer. Of course, he was involved in many cases over the years, one a murder case, where a Police Sergeant's wife from Sheffield went missing and was found in the river in Gateshead. The Sergeant was found guilty of her murder. In the early days the policemen checked in with base by phoning from a phone box. He saw all the football matches in the 1966 World Cup played at Sheffield Football ground. Only once in 30 years did John raise his truncheon at Sheffield Wednesday football ground. The police boxes were used for report writing and for making the odd cup of tea when things were quiet. John regaled us with many interesting stories about his work in the detective force and, as he is a natural speaker, we all thoroughly enjoyed his talk.

Sparkling Wye's March meeting was the AGM, the weather was atrocious so it was a pleasant surprise to have around 25 members attending. Officers' reports reviewed a successful year for groups, craft group, theatre coffee morning once a month interesting speakers, work-mittee, who had served for thanked for all their hard

efficient nominations to add to new committee was voted in. The new President, also new to the committee, is Hilary and the treasurer and secretary remain in post. The meeting was kept short due to the weather conditions but members enjoyed chatting over a cuppa and cake. The teacup competition was won by Hilary with her beautiful creation, Easter items made in the craft group were on sale and the raffle was drawn. A very enjoyable evening.

At our meeting on 5 April, **Holmer WI** were due to hear about cyber crime and scams but our speaker didn't appear so we assume he was busy solving crimes - instead, at very short notice, Jackie challenged us to an events and music quiz which was very enjoyable. We had to dig deep for some answers!! We also celebrated Maureen's birthday. Gina has been busy knitting teddies for the children's ward Hereford Hospital. Margaret J came first in our competition this month with a bunch of 'interesting keys' which had been found in the garden when they moved into their house. Thank you to all our members who help us set up and put away chairs and tables at the beginning and end of every meeting – especially supervisor Frances, ably

Saltmarshe & District WI's March meeting was our very last one in Saltmarshe & District Hall and we marked the occasion by wearing a hat, just as the ladies who attended the very first meeting back in 1946 would have done. It's a bittersweet moment for us leaving the meeting place which has served us so well - and for which we've been grateful - but it's now time to strike out anew and we are delighted that Conquest Theatre has answered our search for a comfortable, convenient venue. We have an interesting Programme ahead of us this year, carefully put together by Gwen. If you'd like more details please contact Wendy Dullam on 01885 489342 or Janet Dallow on 01885 488650.

The first meeting in our new venue, Conquest Theatre, Bromyard, was a great success and proved we were right in our decision to move into town. It was wonderful to have the support of Margaret and Caroline from Hereford Office and we had a member of Woolhope WI and Whitbourne WI with us too, along with several local ladies who came to see what we can offer. Everyone was very complimentary about the warm, and there was great interest in Programme details and Member-

they certainly do come again. Our Speaker was Natalia

Winterton, supported by her husband Dave, who is himself the son of our long time member Gwen. Natalia explained how, once she'd settled here in her new life on a dairy farm from Ukraine, she set about making cheese. She brought two kinds with her for us to taste; Bryndza, a white, moist crumbly cheese and Adyghe, named after the region it originates from in Southern Russia. Several ladies bought some cheese to take home with them.

March 22nd saw **Cradley WI** hold another action ed skittles competition, with Adele the overall trophy the losing team. Well done!
