RIVER ACTION WEEK – SURVEY NOW AVAILABLE

Please find the enclosed WI River Survey Form and Explanatory notes. We're teaming up with Herefordshire Wildlife Trust, who have designed this survey. It is hoped that WI members who are able, will carry out the survey to establish the health of our own local stretch of water (river, stream or brook).

NEW DATE ADDED - NFWI WEB TRAINING AVAILABLE

Due to extremely high demand, a new date for Web Editor Training has been added on **6 December 2023** from **2:00pm – 3:00pm**. The booking form can be found here:
